

Dear Future Colleague,

ReproCreate Kinderwunschlinik Graz is a family-owned private fertility clinic located in Graz, Austria's second-largest city. Our clinic is an official contractual partner of the Austrian IVF Fund.

We are looking for an **experienced Clinical Embryologist** to join our dedicated and highly qualified team.

Learn more about us at: www.reprocreate-kinderwunsch.at

Your profile

- You have completed professional training as a Clinical Embryologist and have at least **one year of professional experience** in clinical embryology.
- You are communicative, able to work independently, and willing to further develop your expertise in reproductive medicine.
- You are a motivated team player and enjoy working with patients in a personal, respectful, and compassionate manner.
- Knowledge of German is an advantage but not a requirement.

Our offer to you

- The opportunity to work as part of a highly qualified and motivated team of experienced specialists in a **state-of-the-art fertility centre with excellent results and continuous growth.**
- A professional, friendly, and dynamic working environment.
- **A net salary of €2,100 per month for 32.5 working hours per week, paid 14 times per year. Weekend shifts and overtime are compensated separately.**
A higher salary may be offered depending on your professional experience.

If you feel that this could be the next step in your career, we would be very happy to get to know you.
